Your Honor any inmate can order a Regular Book to Read why is legal material a issue!

if it Please's the court Here come's William Branch asking this court to add Ms Derrick Librarian to my 428 1983 complaint, I am charging her with conspiracy to hinder my access to court, inclosed find 2 Request 2 grievance and a inter library loan request
 Ms Derrick is a Handicap Librarian hereat SCi waymart and I have tried not to sue her because she is Handicap But her involvement has become more pronounce of late and I am tired of her using her position to interfere with my Research, and scheduling for law library I have written Grievance's but the supt Mr Collier has not answer them, but she has become so outrageous I have to report what the staff is up to.

I put in for a inter state library loan consisting of a new case in the Law. State V. Farmer, Tenn, No 40,003 12/11/01 it deals with Evidence; Presented by a Expert Witness using Computer animation. Ms Derrick Refussed to put my Request through, this Requested case contions the name of said Expert and the Rule of Procedure's all use full in any case where a Expert maybe used. also Ms Derrick "shouted" to the entire Library that my case involved putting a nake woman on a computer and shawing the court and my counselor defended her conduct saying she did not say exactly what my Real case was his name is Mr McDonnell This is all childish and something needs to be done

Mr. I need to know how much time I have to put in a State Habeas Corpus after the state supreme court denies a P.C.R.A. and I need to know all my options to the court and the time limits to file them. I have looked in all the books your staff gave me and they didn't know.

I do know that 14 days to put in a motion for Reconsideration on all appeals and I need to know how you limit 24 days to the last two weeks 14 days is two weeks that start the day of the order that you library staff should have a list of time limits at the book when they report to the court date's the law library can call the court and get this information and all this would not have happen

INSTRUCTIONS:

1. Refer to the inmate handbook Page 12 and DC-ADM 804 for information on the inmate grievance system.
2. State your grievance in Block A in a brief and understandable manner.
3. Next, you are required to list in Block B the specific actions you have taken to resolve this matter. Be sure to include the identity of staff members you have contacted.

A. Brief clear statement of grievance:

This was done in retaliation for reporting her misconduct. Ser. Ms. Derrick refused to order a case from the Inter State library loan that deals with presenting expert testimony. She used my inquiring to embarrass me. She made false accusations as to why I was in Prison but giving the hearer the impression that I am here on a sexual offense. She stated I called your counselor and he told me what you are here for and you want to put a naked lady on a computer and show the court. Loud enough for all in the law library to hear this. Is this meaningful access to court. She does not understand what her job is or how to do it. She also laughed after she did this! Respectfully

B. Actions taken and staff you have contacted before submitting this grievance:

I wrote you a Request Reporting the above Refusal to order this information.

PS the above action by Ms. Derrick is a indirect way of telling other inmates about my type of charges

Your grievance has been received and will be processed in accordance with DC-ADM 804.

3. List in Block B the specific actions you have taken to resolve this matter. Be sure to include the identity of staff members you have contacted.

A. Provide a brief, clear statement of your grievance. Additional paper may be used, maximum two pages.

I received three court dates about the same time in January. I put in for 2x a day. I was told that I could only get 2x a day starting 2 weeks before my due date. I change from Belling 2x a day for the full time of the order.

I explained to Ms. Colachino that my criminal case was a final order from the state supreme court and that I did not know what options I had left none the time required to filed. (This information should be at her desk) I looked but I could not find the options or the timeliness requirements she said Paul could find out. (a law clerk)

To this date I have no answer also I put in for law library 2-17-02 asking for two times a day, I was not given any time and her reply was a question asking me why I wanted the time.

B. List actions taken and staff you have contacted before submitting this grievance.

Do I have a new Deadline on 2-20-02 I put in a request the same response and no time for law library but asking for Proof of my Deadline.

Friday Ms. Colachino called me down to see my court order asking all the above as to finding out the time requirements. I want someone else to do my legal work. The state is required to provide meaningful access not just hand out Boo.

Your grievance has been received and will be processed in accordance with DC-ADM 804.

I sent a Request to Supr Colachino
